

EXERCISE 1 - PREPARING FOR DEPLOYMENT **LEARNING OBJECTIVES**

General Learning objectives	Specific learning objectives	Performance learning objectives
1. To effectively manage the information received before deployment	<p>1.1. To record relevant information about the EMT deployment</p> <p>1.2. To make use of the information provided when planning for the EMT deployment</p> <p>1.3. To effectively communicate relevant information about the EMT deployment to other colleagues</p> <p>1.4. To absorb new information and change planned strategies accordingly</p>	<ul style="list-style-type: none"> - All team members take notes of the key information provided during the briefing - Each group plans concrete activities adapted to Montyland context - Each group presents clearly and concisely their planned activities to the rest of the team - The team discusses and proposes solutions to unforeseen events (lacking one member of the team, travel constraints)
2. To understand the different EMT staff roles within the EMT	<p>2.1. To identify the main tasks and responsibilities of the medical, logistics, watsan staff and team leader during the EMT deployment</p> <p>2.2. To recognize the adaptable and flexible condition of the EMT work</p>	<ul style="list-style-type: none"> - Each group (according to the task assigned) lists the main tasks for medical, logistics, watsan staff and team leader at arrival and during the mission in Montyland - All team members perform tasks different from the ones related to their profiles (e.g. medical staff helps in logistic planning and preparation) - The team explore how pooled capacities from different team members could cover temporarily basic watsan functions - The team proposes tasks that can be shared by all team members (e.g. help setting up the field hospital on arrival)
3. To work collaboratively for the preparation of the EMT deployment	<p>3.1. To engage actively in the performance of the tasks assigned</p> <p>3.2. To listen respectfully to other colleagues</p> <p>3.3. To understand the importance of cooperation between EMT members for the achievement of a common goal</p>	<ul style="list-style-type: none"> - All team members provide ideas that contribute to the task achievement and express their opinion during discussions - All team members listen and respect other colleagues opinions - Team members discuss about the composition of the first team for deployment, recognising the importance of all team members & profiles
